2 October 1964

MEMORANDUM FOR: Director of Training

SUBJECT : Proposed Change in Counterintelligence
Operations Course Scheduling

REFERENCE : Memorandum from C/HT/OTR to
Clandestine Services Training Committee
dated 25 September 1964, same subject.

1. Referent memorandum proposes expanding the Counterintelligence Operations Course to a three-week full-time course instead of one-week full-time and two-weeks part-time. In requesting this change, the memorandum addresses itself in general terms to the manner in which the additional time, i.e., the afternoons of the second and third weeks, would be utilized. It is suggested that additional study be conducted of the substance of the reading material and seminars which would occupy the additional hours requested during the second and third weeks.

2. With the submission of a definitive program authorizing the entire three weeks, I believe this matter could appropriately be placed on the agenda for review by the CST Board.
